Dear Monterey Park Families,

### Field trips within walking distance

The CBE values the educational benefit of field trips. Field trips close to our school can complement classroom learning by giving students opportunities to explore the community around their school.

You do not need to fill out a consent form for your child to go on a class trip that is walking distance from the school.

Teachers will provide advance notice when planning a community walk. You will be notified about these trips by email.

Examples of sites near the school that classes may go to include but are not limited to:

Name of location	Address / Description	Distance from school (kms)

Monterey Square Shopping Centre	2220 68 Street NE	1.2

As with any field trip, we want to inform you about some common hazards involved with walking trips to the above locations. Please note this list may not include all of the hazards for a given trip:

- Slips, trips and falls

If you have any questions regarding field trips within walking distance of the school, please contact me or your child's teacher.

Sincerely,

Kelly Christopher
